Dear Commissioner:

This is in further response, pursuant to a Request for Continued Examination (RCE), to the Final Office Action mailed March 17, 2008, and to the Advisory Action, mailed July 28, 2008. The three month shortened statutory period to respond is set to expire June 17, 2008. With a two-month extension of time, the time for response would be August 17, 2008, which is a Sunday; and therefore a timely filing with the extension would be August 18, 2008. Applicants petition for an appropriate extension of time. Please charge any fee deficiencies or credit any overpayments of Deposit Account No. 14-0112.

In view of the following amendments and remarks, Applicants respectfully request the Examiner to reconsider and withdraw the outstanding rejections and allow all claims pending in this application.

A listing of **Claims** begins on page 2 of this paper.
